The Property

Built in the 1930s and set in an elevated position overlooking Newtown, The Mount is a semi detached bungalow on a quiet no through road, offering generous room sizes, a large garden and a tucked away feel. The current owner has enjoyed the property since 2018 and it is now offered with no ongoing chain.

The front door opens directly into the kitchen, which is arranged in an L shape with good worktop space and room for utility items. It is a practical layout for day to day use and includes a door leading straight out to the garden.

The sitting room is a particularly spacious reception room with good natural light, space for both seating and a dining table, and French windows opening to the outside. A working flue is in place for a log burner, adding further potential to the space.

There are two generous double bedrooms, the main bedroom has a large fitted wardrobe and the second bedroom

has ample space for one. The bathroom is fitted with a bath with over shower, WC and basin, and also includes an airing cupboard.

The bungalow feels light and airy throughout, with a straightforward layout that is easy to live in.

Outside, the rear garden is a real feature. It is larger than expected and includes lawn, patio seating areas and a selection of fruit trees. A summer house sits within the garden, built with a timber frame on a brick base with a concrete floor. Both the summer house and the garage benefit from power and light, adding useful flexibility for hobbies or storage.

The garage provides secure parking or workshop space and sits alongside the property, with driveway parking to the front for up to three vehicles.

A solid, well located bungalow with space inside and out, The Mount offers a good opportunity for buyers seeking single level living in a peaceful but convenient position.
