Location

No 3 Bro Dulas enjoys an attractive semi-rural setting in Llangybi, whilst remaining conveniently placed for the established market and university town of Lampeter, together with the popular rural town of Tregaron. Of particular appeal to families is the proximity of Ysgol Y Dderi, the Welsh-medium primary school at Llangybi. The most recent full Estyn inspection, undertaken in March 2023, described the school as a “happy, caring, and homely community”, with a safe and inclusive learning environment, strong progress by most pupils and a strong Welsh ethos. Estyn also highlighted the school's close links with its rural locality and the opportunities provided through outdoor learning and the local community.

Lampeter is approximately 4 miles away and provides a comprehensive range of everyday amenities, including supermarkets, independent shops, cafés, restaurants, professional services, leisure facilities and a swimming pool, together with medical and educational facilities. The town is an important commercial centre for the surrounding Teifi Valley and provides a particularly attractive combination of rural surroundings and useful town amenities.

To the north lies Tregaron, a historic market town situated at the foot of the Cambrian Mountains and surrounded by some of the area's finest countryside. The town retains a strong Welsh character and provides a range of local services and community facilities, whilst being particularly well placed for access to Cors Caron, the Cambrian Mountains and the wider upland countryside.

The location therefore offers an appealing balance between peaceful countryside living, access to a highly regarded local primary school and convenient access to the amenities of both Lampeter and Tregaron, whilst retaining easy access to the wider attractions and landscapes of rural Ceredigion.
