DESCRIPTION

For sale due to retirement, Kemlyn is a beautifully modernised and kept, family scale detached home set within a generous plot in the sought-after rural hamlet of Bissoe, offering an excellent opportunity for those seeking a home with notable business or commercial potential. The property combines comfortable residential accommodation arranged with flexibility in mind as two separate and self contained configurations with an impressive range of substantial outbuildings and workshop space, making it particularly well suited to a variety of business uses, storage, trade operations or those requiring extensive workspace.

A key feature of the property is the large steel-framed and block-built workshop unit which is held on a separate title deed to the property, complemented by additional garaging and a caravan store, providing a multitude of useful working and storage space. The buildings benefit from power, lighting, roller shutter access and concrete floors, with ample internal height in the main unit, making them suitable for a range of commercial, mechanical, storage or trade-related activities (subject to any necessary consents).

The enclosed grounds provide extensive parking and hardstanding, allowing easy access for larger vehicles, trailers, boats or equipment. The layout and scale of the site offer flexibility for those wishing to operate a business from home while retaining clear separation between the residential and working areas.

Kemlyn represents a rare opportunity to acquire a property that successfully combines roomy residential living with substantial workspace in a convenient rural location within easy reach of Truro, Falmouth and the wider road network.

LOCATION

Located within the rural hamlet of Bissoe, Kemlyn enjoys a peaceful setting on the edge of the highly sought-after village of Perranwell Station, ideally positioned between Truro and Falmouth. The surrounding area provides excellent opportunities for walking and cycling, with the Bissoe Trail close by and there are some fantastic cafe's nearby along the trail which are popular with walkers, cyclists and runners linking Devoran to Portreath on the north coast. The creeks of the River Fal and Mylor Yacht Harbour, with deep-water moorings, are also just a short drive away. Nearby Carnon Downs offers additional everyday facilities including a shop, post office, butcher, dentist and doctors' surgery.
