DESCRIPTION

This beautifully maintained three-bedroom mid-terrace home has been lovingly owned and cared for by the same family for over 25 years. Offering a blend of character, charm and modern comforts, the property is ideal for families, investors, first-time buyers or those looking for a home ready to move straight into.

The property offers spacious accommodation throughout, featuring a bay fronted lounge creating a bright and welcoming living space. The charming dining room provides a cosy country cottage feel, centred around a multi-fuel burning stove that adds warmth and character, while the well-appointed kitchen offers ample storage and workspace, seamlessly combining practicality with the home's inviting and homely atmosphere.

To the first floor there is the master bedrooms including a generous front bedroom enhanced by a large bay window that floods the room with natural light. The house also boasts an exceptionally spacious bathroom, comparable in size to a bedroom, providing a luxurious and practical family space. To the top floor you will find two further double bedrooms where you can look out to the sea and castle. Externally, the property benefits from an enclosed rear yard, perfect for enjoying the warmer months or creating a low-maintenance outdoor seating area.

Auborough Street is conveniently positioned within walking distance of Scarborough town centre, offering a wide range of local amenities including supermarkets, independent shops, cafes and transport links. The property is also well placed for access to both the North and South Bay beaches, the harbour, local schools and the railway station, making it perfectly situated for both permanent living and holiday use.

Offering space, versatility and a prime coastal location, this is a fantastic opportunity to secure a substantial home in the heart of Scarborough.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
