- Generously Sized Garden
- Double Garage
- EPC - TBC

GUIDE PRICE £600,000 - £650,000

Nestled within the popular village of Mayland, this substantial detached residence offers an exceptional amount of flexible accommodation, perfectly suited to modern family living, multi-generational households or those seeking a home with valuable independent annexe space.

A standout feature of the property is the self-contained annexe, which benefits from its own private entrance and comprises a living room, kitchen, bedroom and bathroom. This versatile space is ideal for an elderly relative, older children, guest accommodation, or could serve as a private work-from-home suite, subject to individual requirements.

The main residence is entered via a porch, opening into a generously proportioned lounge which forms the heart of the home. From here, an inner hallway provides access to the kitchen, dining room, utility room and ground floor WC, creating a practical and well-balanced layout for everyday family life and entertaining.

To the first floor, the property offers four well-proportioned bedrooms, with the principal bedroom further benefiting from an en-suite shower room. A spacious four-piece family bathroom serves the remaining bedrooms, completing the first-floor accommodation.

Externally, the home enjoys ample off-road parking to the front, leading to a double garage. The rear garden is predominantly laid to lawn and wraps around the property, offering a generous outdoor space for families to enjoy. A paved patio seating area, enclosed by a brick wall, provides an excellent setting for outdoor dining, entertaining and relaxation.

With its substantial footprint, flexible layout and superb self-contained annexe, this impressive home offers a rare opportunity in a sought-after village location. Viewing is highly recommended to fully appreciate the size, versatility and potential on offer.

Energy Efficiency Rating	Current	Potential	Environmental Impact (CO ₂) Rating	Current	Potential
Very energy efficient - lower running costs			Very environmentally friendly - lower CO ₂ emissions		
(92 plus) A			(92 plus) A		
(81-91) B			(81-91) B		
(69-80) C			(69-80) C		
(55-68) D			(55-68) D		
(39-54) E			(39-54) E		
(21-38) F			(21-38) F		
(1-20) G			(1-20) G		
Not energy efficient - higher running costs			Not environmentally friendly - higher CO ₂ emissions
