"We love that it's so quiet, despite being only two minutes from the M Shed and the little container shops, especially the ice cream place. Likewise, five minutes to the Watershed and then the start of Park Street. For a central location, it's easy to get out in to the green - the cycle routes start over the road at MShed, so Ashton Court or even Clevedon and Weston are doable without using a road! So handy - even the airport bus stops are only 10 minute walk!"
