THE PROPERTY

Enjoying wonderful views towards the South Downs, this beautifully presented four-bedroom home has been thoughtfully extended and comprehensively refurbished to create a stylish and versatile setting for modern family life. With generous living spaces, high-quality finishes and a lovely connection to the outdoors, the property offers the opportunity to enjoy contemporary comforts alongside the charm of village living.

Stepping inside, a welcoming entrance hallway leads through to the principal ground floor accommodation. Positioned to the front of the house, the sitting room is an inviting space in which to relax, with far-reaching countryside views providing a delightful backdrop. A bespoke fitted media unit incorporates shelving, storage and space for a television, while discreet pocket doors allow the room to flow effortlessly into the impressive kitchen and dining area beyond.

Undoubtedly the heart of the home, the open-plan kitchen and dining room has been designed with both everyday living and entertaining in mind. Sleek contemporary cabinetry provides ample storage, complemented by a comprehensive range of integrated appliances, including a fridge freezer, dishwasher, double eye-level ovens and induction hob. A central breakfast bar creates a sociable spot for morning coffee or casual dining, while the generous dining area offers plenty of room to gather with family and friends. Bi-fold doors open directly onto the rear terrace, inviting natural light into the room and creating a seamless transition between the house and garden during the warmer months.

A separate study provides a welcome degree of flexibility, ideal for those working from home or seeking a quieter space away from the main living areas. A beautifully finished ground floor cloakroom completes the accommodation on this level.

Upstairs, a spacious galleried landing leads to four well-appointed bedrooms and the family bathroom. The principal bedroom enjoys an enviable position at the front of the property, with lovely views stretching towards the South Downs. A contemporary en-suite shower room, complete with a generous walk-in shower, adds a touch of everyday luxury.

The second bedroom is another generously proportioned room, overlooking the peaceful rear garden, while two further bedrooms provide flexible accommodation for family, guests or additional workspace.

Serving these bedrooms is a particularly stylish family bathroom, where a freestanding bath, separate walk-in shower, elegant wall panelling and a fitted vanity unit combine to create a calming, spa-inspired space.

OUTSIDE

The outside space complements the house beautifully, offering a combination of practical parking and a wonderfully private garden in which to relax and entertain.

To the front, a driveway provides off-road parking and access to the integral garage, while an area of lawn and established flower and shrub borders soften the approach to the property.

To the rear, the garden offers a peaceful and secluded setting, with a generous paved terrace extending across the back of the house. Easily accessed through the bi-fold doors from the kitchen and dining area, this is an ideal spot for summer barbecues, leisurely weekend lunches or simply enjoying the garden with a morning coffee.

Beyond the terrace, a lawn is framed by established borders and mature planting, with apple and pear trees adding a lovely touch of traditional country garden character. Fully enclosed and enjoying a good degree of privacy, the garden provides an inviting outdoor space for both family life and quieter moments, with the surrounding countryside adding to its appeal.
