4 bedrooms, bathroom, separate WC; downstairs WC and shower room, lounge/dining room, family room, kitchen; gas radiator central heating, double glazing, large garage, gardens; no onward chain and in need of updating.

A Gough Cooper semi-detached family house, being sold for the first time since new. The property has been extended to provide an additional bedroom, reception room and large garage possibly suitable for conversion; plus the size of the first bedroom adjacent to the bathroom provides the possibility of a dressing room and en suite, all subject to any necessary consents. The property requires general updating throughout and is being sold with no onward chain. The garden measures about 25 feet deep from the back of the extension and about 35 feet from the back of the original house. It is about 40 feet wide.

It is superbly positioned for access to the local schools, the railway station and Maiden Erlegh Nature Reserve. The University is also close at hand. Local bus services provide access into Reading town centre, where the main line railway station provides services to Paddington, on the Elizabeth Line, and also to Waterloo which run through the nearby Earley Railway Station.

The M4 motorway can be accessed either at Junction 11, where there is also the A33 south to Basingstoke, as well as Green Park and its new railway station; or at Junction 10 where London then lies approximately 40 miles away and Heathrow Airport approximately 28 miles away
