A three-bedroom halls-adjointing semi-detached home on the super sought-after Conway Road, within The Lakes Estate, offering vast scope to extend and a generous South-facing garden, chain-free.

Occupying a prized position on the sought-after Conway Road, within The Lakes Estate, this three-bedroom halls-adjointing semi-detached home offers a wonderful opportunity to put your own stamp on a well-proportioned property, with vast scope to extend, improve and add real value. A welcoming hallway leads to a bright front reception with bay window, and a second reception to the rear opening onto the garden. A downstairs WC sits under the stairs, with the integrated kitchen completing the ground floor, ready to be enjoyed as is or reimagined.

Upstairs, three well-proportioned bedrooms lead off a bright landing, alongside a family bathroom with separate WC. Outside, the property truly comes into its own. A generous South-facing rear garden provides a wonderful outdoor retreat, with a garage to the side and ample off-street parking, including an electric vehicle charger. Buyers should also note a substantial Lebanon Cedar, believed to be around 600 years old and protected by a Tree Preservation Order, standing on the neighbouring plot immediately adjacent to the garden.

The Lakes Estate offers an enviable lifestyle. Broomfield Park and Conway Lawn Tennis Club are just a few hundred metres away, while Aldermans Hill and Cannon Hill provide excellent local shops, restaurants and cafés. Families are well served, with St Monica's RC School just 0.1 miles away and Walker Primary School around 0.5 miles further.

Importantly, while enjoying all the charm of The Lakes Estate, this property sits just outside the conservation area boundary, meaning owners are not subject to the additional planning controls that apply inside the conservation area, such as the Article 4 direction governing changes to windows, doors and boundary walls. Genuinely the best of both worlds. Offered chain-free, early viewing is highly recommended.
