'A great little project for a buyer to get stuck in to and create their own home with this two bedroom semi detached home that is offered for sale with no onward chain!'

This two bedroom semi detached home requires some general modernisation and updating throughout having been under the same ownership for approximately 40 years but could make a great option for a buyer looking to add their own mark to a property. The accommodation comprises an entrance lobby leading into a lounge with stairs rising to the first floor and a kitchen/breakfast room across the rear with door to the garden. On the first floor there are two comfortable bedrooms and a smart shower room. The property is double glazed and currently has night storage heating but does have a gas supply to the property. Offered for sale with no onward chain.

Externally the property has a small lawn front garden with a handful of steps leading up to the front door. At the rear there is a god size, private rear garden with a patio outside of the back door which then extends to a mature lawn with shrubs and trees. Side access gate leads out to a driveway for at least three vehicles in tandem and a single garage with a new door.

Wheelers Road forms part of a well established residential location and benefits from easy access to the Midsomer Norton Greenway and town park which is a pleasant five minute walk. The town centre of Midsomer Norton and Radstock are approx 1.5 miles in distance. Bath city centre is 11 miles and Bristol city centre is 16 miles.
