Simpson West

Plot 129 – The Hesketh | Spacious Four-Bedroom Home Across Three Floors

Introducing The Hesketh, a generous and thoughtfully designed four-bedroom family home arranged over three floors and built by reputable housebuilder Barratt Homes.

The ground floor provides an excellent layout for modern family life, featuring a stylish kitchen and dining room with doors opening onto the rear garden. A separate living room offers a comfortable space to relax, while a convenient cloakroom/WC completes the ground floor.

On the first floor, there are two well-proportioned double bedrooms, with the larger bedroom benefiting from its own en suite shower room. A contemporary family bathroom is also located on this level.

The second floor offers two further double bedrooms, served by a separate shower room—ideal for older children, guests or those working from home.

Externally, the property benefits from off-road parking for multiple vehicles. Energy-efficient PV solar panels are also included, helping to support lower day-to-day running costs.
