Internally the new owner will be greeted by the welcoming entrance hall with large floor to ceiling window allowing a wealth of natural light in. The entrance hall comes complete with ground floor W/C and allows access to both the kitchen come diner and the main living room.

Worthy of special mention is the impressive kitchen come diner which measures a generous 17'1 x 9'10. The kitchen offers an abundance of both worktop space and storage space whilst the dining area offers ample room in which to both entertain and relax. There is a 'utility' cupboard off of the dining area which offers room for the washing machine and/or tumble dryer. Dual aspect windows flood the room with natural light.

The living room, measuring 15'5 x 11'11 is situated at the back of the property and opens onto the pleasant rear garden via the double doors.

The first floor commences with a spacious landing which affords access to three double bedrooms and the family bathroom suite.

The master bedroom measures 10'5 x 10'1 with further space for wardrobes plus a luxury en suite shower room which measures 6'9 x 4'10. Bedroom two measures 15'9 x 7'10 whilst bedroom four measures 12' x 7'2.

The family bathroom suite measures 7'10 x 6'6 and consists of the washbasin, W/C and bathtub with overhead shower.

The second floor allows access to bedroom three which measures a generous 12' x 10'. All four bedrooms are sizeable double bedrooms which is a fine feature within itself.

Off of the landing is a large storage cupboard 4'6 x 2'8 and the rare feature of having access to your loft. Opposite the third bedroom is a door which allows walk-in access to the loft space which measures 16'3 x 10'11 with a further 12' x 4'11 eaves storage off of bedroom three.

Externally there is a pleasant rear garden, majority laid to lawn which offers side access out to your driveway parking. To the side of the property there is driveway parking for multiple vehicles alongside storage.

Situated on, and as part of the popular and family-friendly Beechwood Village Project which is committed to creating hundreds of new homes along with shops and community centres as part of a regeneration scheme for the immediate area this home represents the opportunity to become part of an up and coming, and thriving community. This is one of the first resales of this particular style of home on the development which underlines just how rare to the market this home is with internal viewings coming very highly recommended.

This property was built as a 'Modular' home which during construction reduced construction waste by up to 90%!

Being sold with NO ONWARD CHAIN, internal viewings come strongly recommended so that one can appreciate and acknowledge first-hand all that this wonderful home has to offer.
