Council Tax Band: A

PROPERTY DETAILS

This deceptively spacious four double bedroom end-terrace offers far more than first meets the eye, combining versatile living space with a highly convenient central Steeton location. With paved yards to both the front and rear, the property provides low-maintenance outdoor areas perfect for relaxing or entertaining.

Step through the glazed front door into a welcoming entrance hall with stairs rising ahead, setting the tone for the space and potential this home has to offer. To the left, a generously sized living room provides a cosy yet airy retreat, ideal for unwinding at the end of the day. To the rear, the heart of the home unfolds into a large kitchen, which flows seamlessly through an archway into an additional flexible space—perfect as a dining area, utility room or even a reimagined open-plan kitchen/diner. With ample room to reconfigure, there's exciting potential to introduce a statement island or breakfast bar, creating a sociable and modern family hub.

The first-floor hosts two bright and well-proportioned double bedrooms, both enhanced by large windows that flood the rooms with natural light, with one also benefitting from built-in storage. The house bathroom is neatly presented with a bath and shower over, WC, basin and a contemporary heated towel rail.

On the second floor, you'll find the largest of the four bedrooms, complete with a Velux window adding character and light, alongside a further double bedroom and a convenient shower room with WC and basin—ideal for guests, older children or creating a private top-floor suite.

Throughout, the property is finished in neutral tones with fresh white walls and carpets, offering a blank canvas ready for a new owner to personalise and make their own.

Steeton is a highly desirable village that perfectly balances countryside charm with everyday convenience. Surrounded by beautiful Yorkshire landscapes, it offers scenic walks right on your doorstep while still being incredibly well-connected. Steeton & Silsden train station provides direct links to Leeds, Bradford and Skipton, making it ideal for commuters. The village itself boasts a strong sense of community, well-regarded schools, local shops, cafés and essential amenities, while nearby Skipton offers a wider range of shopping, dining and leisure options. It's a location that truly offers the best of both worlds—peaceful village living with excellent accessibility.
