96 York Street, Cambridge

Guide Price £395,000 Freehold

About the Property

The accommodation begins with an entrance hall leading into a spacious living room, featuring a full-width window, an attractive exposed brick feature wall with shelving, useful understairs storage, and stairs rising to the first floor. To the front of the house is a separate dining room with twin sash windows, a fireplace and fitted cupboards to either side, creating an ideal space for family time.

The kitchen is fitted with a range of wooden units and offers space for a dishwasher, washing machine, electric oven and hob, and a freestanding fridge-freezer. Open shelving provides additional storage. A door leads to the low-maintenance rear garden, which features an area of artificial lawn, an external storage cupboard and rear access.

To the first floor, the central landing provides way to two generous double bedrooms and a useful storage cupboard housing the combination boiler. The principal bedroom spans the full width of the property and benefits from sash windows overlooking the front aspect. The family bathroom comprises a bath with shower over, WC and wash hand basin.

York Street is a desirable road situated in a prime location within easy reach of the city centre. The area is currently experiencing a surge in development investment, with both the Grafton and Beehive centres proposing large-scale world-class science hubs as well as further general commercial and residential improvement schemes. The historic city centre is a short walk away, as is the mainline railway station, the retail park and multiple green spaces including Parker's Piece.
