Situated on the outskirts of the popular town of Middlewich, this spacious and extended detached bungalow offers flexible and versatile accommodation arranged over two floors. Occupying a generous plot, this larger-than-average home would be ideally suited to a growing family, multi-generational living, or indeed anyone requiring ground floor bedroom accommodation with en suite facilities due to mobility needs.

The property has clearly been well maintained over the years and offers adaptable living space that can easily evolve to suit a purchaser's individual requirements. In addition, there is a static caravan positioned within the rear garden, which can be removed upon request if desired.

Externally, the property benefits from a spacious yet low-maintenance garden, providing excellent outdoor space without the upkeep often associated with larger plots.

This is a home that could comfortably be moved straight into whilst also offering purchasers the opportunity to modernise or personalise over time should they wish.

A viewing is strongly recommended to fully appreciate the size, flexibility, and potential this property has to offer. The property is offered to the market with the added advantage of NO ONWARD CHAIN.
