"This house has been a real sanctuary. I love my morning routine of waking up and walking around the lake in St. George's Park with a cup of tea, which is only a 2 minute walk away. In the Summer I run up through the cemetery and over Trooper's Hill down to Conham River which is nice for a dip if the weather's hot. At the same time it is the perfect hub for Bristol culture like the Easton Punk Festival. City life but surrounded by nature, the best of both worlds."
