Situation

Westward Hol is one of North Devon's most sought-after coastal destinations, renowned for its stunning Blue Flag award-winning sandy beach, dramatic pebble ridge, and the prestigious Royal North Devon Golf Club, the oldest links course in England. The village offers an excellent range of everyday amenities, including shops, cafés, restaurants, pubs, and leisure facilities, making it an ideal location for both permanent residence and holiday living.

Just a short drive away lies the historic port and market town of Bideford, situated on the banks of the River Torridge. Bideford provides a comprehensive selection of shopping, educational, and recreational facilities, together with a vibrant quayside and excellent services catering for all ages.

The charming fishing village of Appledore is also within easy reach. With its colourful waterfront, picturesque quay, independent boutiques, galleries, cafés, and narrow winding streets, it remains one of North Devon's most desirable and characterful destinations.

For a wider range of shopping, business, and commercial amenities, the regional centre of Barnstaple is conveniently accessible via the A39. From there, the A361 North Devon Link Road provides direct access to Junction 27 of the M5 motorway, offering excellent transport links to Exeter, Bristol, and the wider national motorway network.

DIRECTIONS

From our office on Bideford Quay, proceed in a northerly direction out of the town towards Heywood Roundabout. At the roundabout, take the left exit onto the A39 and continue to the traffic lights, where you should turn right towards Westward Hol. Follow the road for a short distance before turning left into Cornborough Road. Continue along Cornborough Road before taking the right turn into Stanwell Drive. At the end of the road, proceed into the private driveway, bear left, and continue to No. 10, which will be found in its elevated position.
