

Chesworth Gardens, Horsham, West Sussex, RH13 5AR

A superb opportunity to acquire a well-presented three-bedroom semi-detached home, ideally positioned within a modern and highly sought-after cul-de-sac in central Horsham. Offered for sale with no onward chain, this attractive property combines generous accommodation, excellent practicality and a wonderfully convenient location - making it an ideal choice for families, downsizers or those looking to enjoy everything this vibrant West Sussex town has to offer.

One of the property's greatest attractions is undoubtedly its location. The centre of Horsham is within easy walking distance, placing an impressive selection of independent shops, everyday amenities, restaurants, cafés and entertainment venues right on your doorstep. The area is also renowned for its beautiful surrounding countryside, with Chesworth Farm just a short distance away and offering a fantastic network of walks through the Sussex landscape. St Leonards Forest and the South Downs National Park are also readily accessible, while excellent local schooling and convenient transport links further enhance the appeal for families and commuters alike.

A driveway provides parking and leads to the attached single garage, while the front entrance opens into a welcoming hallway with a useful downstairs cloakroom. From here, the main living accommodation immediately impresses with its bright and airy feel. The spacious sitting room benefits from large windows that flood the room with natural light, complemented by neutral décor and plenty of space for comfortable furnishings. Stairs rise to the first floor, while the room flows naturally through to a generous dining area.

From the dining space, sliding patio doors open into the conservatory, which benefits from a solid roof and therefore provides a genuinely versatile additional reception area that can be enjoyed throughout the year. This creates an excellent extension to the main living space, whether used for relaxing, entertaining or as a more informal family area.

The kitchen is well equipped with a good selection of wall and base units, an integrated under-counter fridge and freezer, together with space for additional freestanding appliances. A particularly useful large under-stairs storage cupboard adds further practicality and helps keep the living areas beautifully organised.

Upstairs, there are three well-proportioned bedrooms, all comfortably capable of accommodating a double bed. The principal bedroom and second bedroom are particularly generous in size and both benefit from fitted wardrobes, providing excellent built-in storage. The remaining bedroom offers further flexibility as a child's room, guest bedroom or home office if required, whilst a modern shower room with double shower tray and vanity unit completes the internal accommodation.

Outside, the rear garden has been designed with ease of maintenance in mind, being predominantly paved and complemented by established border planting. There is ample space for outdoor seating and entertaining, while the low-maintenance layout also provides the opportunity to introduce colourful pots and planters or, for those wanting more greenery, re-landscape to incorporate a lawn.

A door from the garden provides direct access into the garage, which offers space for a vehicle alongside additional storage or white goods if required.
