Garage & Utility Room

Outside Courtesy door leading to:

The rear half of the garage has been carefully designed as a fully functional utility room. Fitted with a range of base cupboards and matching eye-level units and display units, power connections, light, plumbing for a washing machine, space for a tumble dryer. The current vendors have had a brand-new boiler and central heating system fitted.

The front half of the garage is currently used for storage with additional store space up in the eaves, up-and-over garage door.

Outside

The delightful rear garden is enclosed by wood panel fencing and primarily laid to lawn with a large decking area ideal for family BBQs and relaxing in nice weather. There are a variety of attractive mature shrubs and trees to the well-maintained borders. The current vendors have had a brand-new tall garden side gate and an additional new small double gate leading to a bin store area.
