A three bedroom end of terrace home offering an exciting opportunity for buyers looking to modernise, improve and potentially extend (subject to the necessary consents). Occupying a generous end position, the property already provides well proportioned accommodation including a spacious lounge, kitchen/breakfast room, sun room, ground floor cloakroom and three good sized bedrooms. While the house would now benefit from comprehensive updating throughout, it offers excellent potential to create a fantastic long term family home. To the front, a generous driveway provides off road parking for three vehicles, while a garage style door opens onto an additional hardstanding area, ideal for further parking, storage or offering exciting scope for a side extension, similar to neighbouring properties. Conveniently located in the highly sought after Old Town area, the property is within easy reach of excellent schools, local shops, everyday amenities and the spectacular South Downs National Park.
