Guide Price £495,000 Freehold

A wonderful opportunity to purchase a detached property with considerable potential for alteration and extension (STPP), standing in a very good-sized plot approaching 0.2 of an acre backing onto farmland, in this ever popular West Oxfordshire village. The property is offered for sale with no onward chain.

The Bungalow would benefit from some updating but will certainly appeal to those seeking a property with potential and the opportunity to create an individual family-sized home on a larger plot. The property currently offers comfortable and well proportioned living space comprising sitting room, dining room/bedroom 3, two double bedrooms, breakfast room, kitchen, shower room, and separate WC. There is a large unconverted roof space with conversion potential (subject to consents). Other features include gas central heating, ample off-road parking for several vehicles, and a large block-built garden building at the rear that could form part of any extension or become a wonderful home office/work space, subject to consents. The rear garden adjoins open farmland and enjoys uninterrupted views.
