Beechfield House

Wye View Lane, Symonds Yat West

Set in approximately 0.7 acres, this beautifully presented 4 bed country residence has an outstanding elevated location, bordered by picturesque woodland, enjoying far reaching views of the Wye Valley and beyond. Offering extensive accommodation over its 2 floors, seamlessly blending stunning original features with high-quality fixtures and fittings. Lovely, mature landscaped grounds, a spacious cellar and a detached workshop. No onward chain.

Originally built in 1910, Beechfield House has been thoughtfully renovated and restored by the current owners. The property is traditionally constructed in stone, featuring a painted render and partial timber cladding to the exterior with inset double-glazed, wooden-framed Georgian pane windows and matching doors beneath pitched slate roofs.

Inside, the house retains much of its period charm, showcasing two wood burners, five original open-plate fireplaces, moulded skirting boards and architraves, exposed beams, picture and dado rails, low-voltage downlighters, vaulted ceilings, and wooden panelled doors.

The floors are finished in a mix of oak boarding, limestone and carpet. Heating and hot water are supplied by an oil-fired boiler, with underfloor heating provided in the kitchen.
