The Property

This modern semi-detached house was completed in 2018 by well renowned developer Burrington Estates who set out to create luxury homes of distinction with every build. 5 Great Close Road is no exception with fantastic proportions and above the norm specification top to bottom throughout this delightful home.

Entering the property there is an entrance hallway with integrated storage and cloakroom. A door opens to a stunning open plan kitchen/dining/living space with a delightfully crafted TV entertainment centre. The room is filled with natural light with windows to front and rear and the double opening doors provide seamless integration to the rear garden. The kitchen is of high quality with fitted appliances, gas hobs and quartz laminate worktops. There is further storage space under the stairs.

Stairs rise to the first floor where a good-sized landing with further integrated storage provides access to all of the bedrooms and family bathroom. The master bedroom is a great size with integral wardrobes and the benefit of a luxurious tiled en-suite with walk in shower. The second bedroom is another large double and the third a great sized single whilst the family bathroom is again of high quality with textured tiling and shower over the large bath.

Outside the garden is a relatively level, family friendly, low maintenance entertaining space enjoying day round sunshine. Mainly laid to lawn with a small patio area enclosed by high stone clad walls and fencing. There is a useful side door access to the good sized and upgraded single garage which has pitched roof storage, power and light with driveway parking in front for one vehicle.

There is much more than meets the eye with this house and is perfect for those looking for a ready to move in opportunity in a super location.
