LIFE IN BERRY HILL

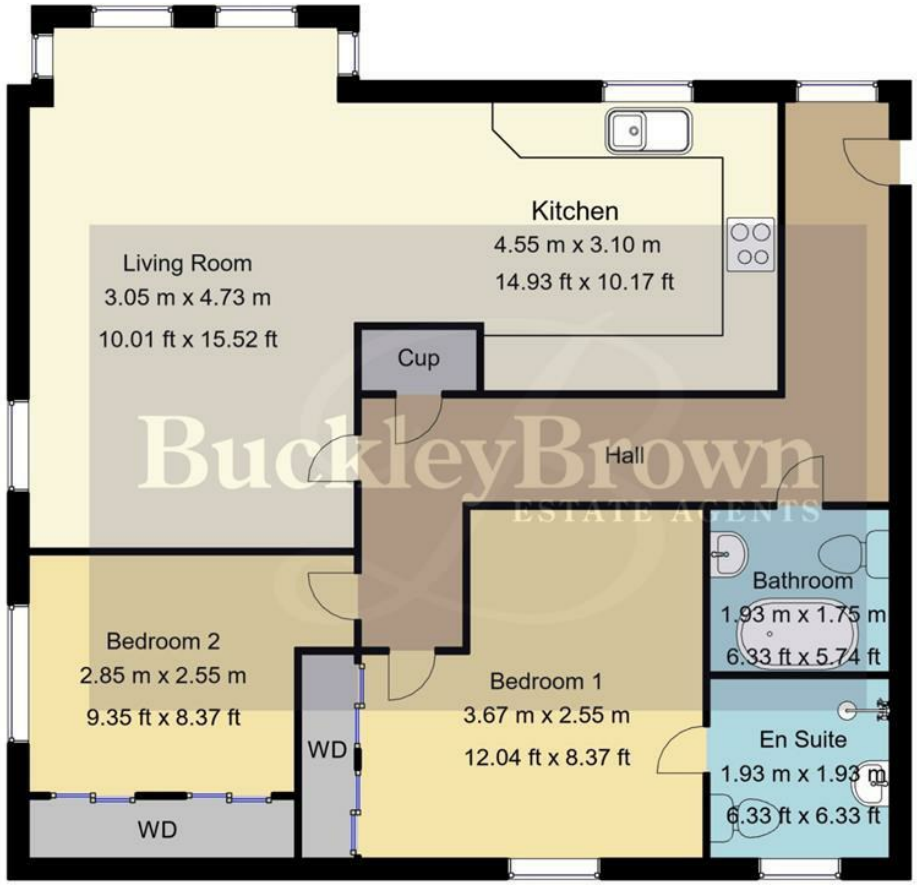

Berry Hill is one of Mansfield's most desirable residential areas, combining leafy surroundings with excellent everyday convenience.

At the heart of the area sits the impressive Berry Hill Park, offering open green spaces, woodland, established paths and plenty of opportunity to enjoy the outdoors right on your doorstep.

The property forms part of the historic Berry Hill Hall setting, a Grade II listed heritage site dating back to around 1730. The Hall was later used as a miners' convalescent home and subsequently became associated with the NHS, before parts of the historic buildings were converted into residential apartments.

Berry Hill offers easy access to Mansfield town centre, with a good range of shops, cafés, restaurants and leisure facilities nearby. The A60 provides convenient links towards Nottingham, while Mansfield's wider road and rail connections make travelling further afield straightforward.
