Two bedroom two bathroom apartment located within the Wheel House Building in this popular riverside development. The light and airy property is located on the raised ground level and offers 743 sq ft of internal space. The heating is communal and the cost is included within the service charge.

Burrell's Wharf was the site of the construction of (at the time) the world's largest steam ship - SS Great Eastern. The 1850s & 1860s-built buildings were converted in the late 1980s by Galliard Homes and the site was completed in the early 1990s with the addition of a number of newly-built blocks.

Burrell's Wharf features a community feel absent in many developments in the area. The development is centred around a communal courtyard and is located next to the River Thames. On-site facilities are excellent: well-staffed site office (24 hour portorage), a residents' gym, sauna and swimming pool.

Burrell's Wharf is located approximately 600m from Mudchute DLR station and within 100m of Mast House Terrace pier for Thames Clipper service for easy access to Canary Wharf, The O2 Centre & central London.
