Construction and Mortgages: The property is understood to be of non-traditional, steel-frame construction, a BISF (British Iron and Steel Federation) house built during the late 1940's.

The current owners have previously secured mortgage finance for the purchase of the property, and it is understood that there are current lenders who would have criteria to secure finance options upon the house. The property is not one of the concrete panel construction types that would find mortgage security problematic.

Buyers are recommended to speak with their mortgage advisor prior to arranging a viewing appointment.

Tenure: Freehold. No Chain. Vacant possession on completion.

Viewing: By prior appointment with the Agents.

EPC: EPC Rating - D|56

Council Tax Band: The property is valued in Band "B".
