Boasting three generous reception rooms, this residence offers ample space for relaxation and entertaining. With over 1400 square feet of accommodation, there is plenty of room to grow and make this house your own. The property benefits from parking for up to six vehicles, a rare find in such a central location. Additionally, planning permission was granted in August 2021 to add an attic room and extend the already large kitchen/breakfast room, providing the potential for further enhancement and personalisation. More information on the planning is available on request.

The garden to the rear is circa a 100ft in length.

Its prime location means you are within walking distance of Sandy station, making commuting a breeze. This property is not only ideal for families but also presents the option of applying for a House in Multiple Occupation (HMO) licence, offering versatility for potential investors.
