## Description

A deceptively spacious Victorian semi-detached house in the popular village of Shapwick, offering four bedrooms, characterful period features, modern comforts, a private garden, far-reaching views to the Mendip Hills. This is one not to be overlooked.

You enter the home via a welcoming vestibule, perfect for coats and shoe storage, with a convenient ground-floor WC just off the entrance. From here, a door opens into the heart of the home, a stunning open-plan family, kitchen, and dining space. The family room is a versatile space, ideal as an additional reception or formal dining room, flooded with natural light from a fantastic lantern window above. Bi fold doors open seamlessly onto the garden, creating a bright and airy connection to the outdoors. A useful utility cupboard, fitted with plumbing for laundry facilities, provides practical storage solutions. The kitchen and dining space is well-appointed with wall, base, and drawer units, a Belfast sink, a range-style cooker, and an integrated dishwasher, with space for a free-standing American-style fridge/freezer. Flagstone flooring complements the character of the room, and a breakfast bar offers space for casual dining, while an under stairs cupboard provides additional storage. From the kitchen, a door leads through to the sitting room, a well-proportioned reception with dual sash windows, rustic wooden floorboards, and alcove shelving either side of a fireplace fitted with a multi fuel burner. Another door from the kitchen leads to a hall, providing access to the stairs up to the first floor and a side exit to the property.

Upstairs, the landing gives access to all first-floor rooms. The master bedroom is generously proportioned, with ample space for free-standing furniture, while three further bedrooms offer flexibility for a variety of uses. The family bathroom is fully tiled and well-appointed, featuring an elegant roll-top bath, a separate shower enclosure, a vanity unit with storage, wash basin and WC, finished with a heated towel rail. Stairs continue to the second floor, which provides a superb multifunctional room, ideal as a home office, hobby space, or studio. Velux windows fill the room with natural light, and it offers far-reaching views across the rooftops and the surrounding countryside towards the Mendip Hills in the distance.
