OUTSIDE

To the front of the bungalow is a very attractive open plan landscaped garden which has been laid for ease of maintenance with stone chippings and inset stepping stones. Well stocked corner rockeries and shrub borders. Stone flagged pathway leads to the front covered entrance with an external wall light. An adjoining asphalt driveway provides good off road parking and leads down the side of the property through double opening timber gates to a further private hardstanding area in front of the Garage which provides a useful bin store area and additional sitting area if required. External gas and electric meters. Timber gate leads to the rear garden.

To the immediate rear is a sunny enclosed garden, again attractively landscaped with a stone flagged patio area and pathways. Side borders and central lawn with a very well stocked established central border which provides excellent privacy from the rear but also marks the official rear boundary of the garden. Beyond are lovely views across the fields bordering Blackpool airfield. Leading down the side of the property is a second pathway with a useful 18 month old garden store. External lighting and garden tap.

BLACKPOOL AIRPORT LIMITED BOUNDARIES

To the rear of the bungalow's garden is a further lawned area which extends from the airport boundary fence and this is in the ownership of the airport company and is in effect a 'Maintenance Strip' that allows the company to maintain its boundary fence from both sides. No agreements to occupy this land are in place with any householder and the land is required to be left vacant at all times.
