Jigsaw Move are pleased to present this modern family home set within Foresters Court, an exclusive gated development of just four properties, located in the Conservation Area of the historic market town of Snaith in the East Riding of Yorkshire. Designed to be a contemporary, energy-efficient eco home with a "traditional with a twist" aesthetic, the property combines classic materials with cutting-edge construction and performance.

The house is exceptionally well built, with craftsmanship from across all trades evident throughout. With an impressive air permeability rating of just 2.8 m<sup>3</sup>/h.m<sup>2</sup>, Dawson House offers reduced heating costs, enhanced thermal comfort, excellent air quality and long-term structural durability. Mechanical ventilation with heat recovery is provided by a Vent Axia Sentinel system, while heating is delivered via a Mitsubishi air source heat pump, supplying underfloor heating to the ground floor and high-efficiency radiators to the upper floors.

Foresters Court is accessed via secure wrought-iron electric gates, opening onto a sweeping block-paved driveway leading to Dawson House. The property occupies a commanding position on the highest ground in the town and benefits from a minimum of four private parking spaces alongside a double garage with electric roller door and side French doors providing access to the rear garden. Bordered by ancient hedgerows and mature woodland trees, the south-facing rear garden is private, not overlooked and enjoys excellent natural light. The house is traditionally constructed in brick beneath a slate roof, with York stone lintels framing BSI Kitemark double-glazed sash windows and doors.

Internally, the ground floor is bright and spacious, with high ceilings and a welcoming hallway. Oak double doors open into the open-plan lounge which runs the full depth of the house, featuring bi-fold doors leading onto an Indian stone patio and mature garden. The central open-plan kitchen, dining and atrium area also extends front to back, with French doors opening onto a second patio and lawn, ideal for outdoor dining. A utility room provides additional storage and appliance space, with access to the rear patio, alongside a downstairs WC.

The first floor offers a generous principal bedroom with built-in wardrobes and a luxury en-suite featuring a double-ended roll-top bath, double shower and Victorian-style fittings. Two further double bedrooms also benefit from built-in wardrobes, served by a modern family shower room.

The second floor provides highly flexible accommodation, including a very large double bedroom with built-in wardrobes and a second substantial room with an adjoining space, offering potential for a self-contained suite, home office or additional living area. This floor is completed by a spacious bathroom with oversized bath, double shower, wash basin and WC.

Foresters Court is located in the heart of Snaith, offering exceptional convenience with no need for a car. Snaith Primary School is rated Outstanding by Ofsted, while The Snaith School secondary is rated Good and ranked first locally for academic performance. The town provides a wide range of amenities including medical services, pharmacy, post office, library, supermarket, independent shops, cafés, restaurants, public houses and a hotel, alongside excellent transport links including a railway station with free parking and electric vehicle charging points.

With no onward chain, this home is ready for you to move in and make it your own. The community is well served by sports facilities, play areas, walking routes, clubs and activities for all ages, with extensive managed footpaths and green spaces. Snaith and Cowick Town Council is highly regarded for its engagement with residents and value-driven services. Dawson House at Foresters Court offers a rare opportunity to enjoy high-quality modern living in a thriving and well-connected market town setting.
