An instantly attractive two double bedroom traditional detached house on a generous plot.

Originally constructed as a three bedroom property, the first floor accommodation has been adapted by the current owner to provide for two double bedrooms and a generous bathroom with spa bath and separate shower area. It is possible for any future owner to reconfigure the space to provide three bedrooms once more.

This well presented and maintained property benefits from gas fired central heating served from a modern combination boiler, double glazing windows throughout, two generous reception rooms, as well as a conservatory enjoying aspects over the rear garden.

An attractive concrete forecourt provides ample off-street parking to an attached single garage. There are beautifully presented and mature rear gardens which have views over the adjacent Kimberley Town Football Ground.

Situated close to the town centre of Kimberley, which has a great variety of shops and facilities, including Sainsburys and many eateries. For those wishing to commute, the A610 is a short drive away which gives ease of access to Junction 26 of the M1 motorway and leads to Nottingham city centre. It also gives access to the park and ride for the Nottingham tram.

Internal viewing recommended.
