THE PROPERTY

A grade II listed building with ecclesiastical connections from the late 17th Century as a former vicary. More recently the property has been used as a successful Italian Restaurant and holiday let business owned by the same family for 30 years, before retirement.

On the ground floor is the restaurant with full commercial kitchen behind and access to the rear courtyard and gardens. The restaurant furniture and kitchen equipment will remain with the property to be easily run as a commercial space or there is the potential to convert this to a ground floor apartment, subject to planning.

Upstairs is the maisonette which is split over two floors, the first with kitchen, sitting room, bathroom and a bedroom whilst three further bedrooms and a bathroom are found on the second floor. The maisonette has been run as a holiday let for two years, and was formerly a family home. Planning permission was granted in 2022 to convert the upper floors into two separate 2-bedroom apartments with separate entrances. These works were not carried out at the time, but offer the potential to further enhance income possibilities by re-submitting plans if desired. (docs and plans are available upon request. Equally there may be further opportunity to divide the whole building into three separate apartments subject to planning and listed building consent.

A one bed detached annex in the garden offers single storey accommodation which has been run as a holiday let for over 10 years.

The property retains many period features such as open fireplaces and exposed ceiling beams with sash windows overlooking a typical Lyme Regis street scene to the front and the gardens and rooftops to the rear.

OUTSIDE

The enclosed rear gardens have been fully landscaped to create attractive seating areas and privacy for the holiday annex in the garden. There is a pedestrian gate at the rear of the garden to a private parking space behind.
