High Wycombe

This substantial, three bedroom, semi detached house offers over 2000 sq ft of versatile accommodation arranged across four floors, presenting an excellent opportunity for those seeking a spacious family home or a potential investment. The property features two generous reception rooms, providing ample space for both relaxation and entertaining, along with a large kitchen that is well suited to family living. In addition to the main bedrooms, there are two further loft rooms, offering flexibility for use as additional bedrooms, study spaces or hobby rooms. The house benefits from gas central heating to radiators and double glazed windows throughout, ensuring comfort and energy efficiency. On the lower ground floor, there is the potential for a self contained annexe with its own independent entrance and heating, ideal for multi generational living or as a rental opportunity. The property is further enhanced by a large rear garden and a separate outbuilding (perfect for conversion to a home office or gym, subject to any necessary consents). Off road driveway parking is available to the front, providing convenience for residents and visitors alike. Situated within walking distance of the town centre, railway station and the historic Hughenden Manor and Park, the location offers both excellent transport links and easy access to local amenities. The property is in need of a degree of updating and improvement, allowing buyers the chance to personalise and add value to their new home. With no upper chain and keys held for early viewing, this is an ideal opportunity for those looking for a large family residence or a conversion project such as an HMO (house in multiple occupation). Early inspection is highly recommended to fully appreciate the size, potential and prime location of this unique property.
