Jane Walker Park
Nayland

6 Jane Walker Park, Nayland, Suffolk, CO6 4JW

Nestled within the hamlet of Wissington, in the heart of the Dedham Vale Area of Outstanding Natural Beauty (National Landscape), Jane Walker Park is approached via a private, tree-lined road.

No. 6 forms part of the Grade II listed East Anglian Sanatorium, one of the most historically significant Arts and Crafts medical buildings in East Anglia. Designed by the renowned architectural partnership of Smith and Brewer and completed in 1900, the property combines period character with a direct connection to the pioneering work of Dr. Jane Walker, who introduced modern open-air tuberculosis treatment to Britain. Occupying the former kitchen wing and stores, this individual home provides a rarely available opportunity to acquire a distinctive residence within one of the region's most notable historic settings.

Offering an internal floor area of over 2,800 sq ft, the accommodation is both substantial and highly versatile. Currently arranged as four bedrooms, it can readily accommodate a fifth bedroom if required. The layout is particularly appealing, with more than 2,100 sq ft of ground-floor accommodation, making it well suited to a variety of lifestyles and multigenerational living.

The front entrance is set within an attractive courtyard garden, incorporating a wrought-iron pergola and mature planting, creating a charming first impression.

On entering, the expansive hallway runs the full width of the property, measuring approximately 56 ft in length. It is finished with wood effect ceramic tiles to complement the striking row of exposed timberwork, which reflects the building's heritage. Four timber-framed double-glazed windows, underfloor heating and LED spotlights ensure the hall remains bright and welcoming.

The reception accommodation is both generous and highly flexible, currently arranged to provide three separate sitting rooms, each enjoying exceptional ceiling height and French doors opening onto the gardens. Across from the front door, the main central sitting room is particularly impressive with two sets of French doors opening to the rear garden, a full wall of fitted bookshelves and an electric smoke effect fireplace with a stone hearth. To the left, the lounge benefits from extensive fitted shelving whilst still feeling spacious and forms an ideal entertainment hub. To the right, a snug provides a more intimate sitting space.

The kitchen is a generously proportioned and sociable space, fitted with a peninsula unit and finished with tiled flooring. The room enjoys a dual aspect to the front and side elevations and opens directly to a practical utility room with adjoining cloakroom and pantry.

At this end of the hallway, a staircase rises to the first floor, where the principal bedroom suite is ideally positioned to enjoy the morning sun and benefits from a dual aspect, fitted wardrobes and an en-suite bathroom complete with a roll-top bath on claw feet.

At the other end of the hallway, two well-proportioned ground-floor double bedrooms benefit from an excellent degree of natural light and are served by a family bathroom complete with walk-in shower. The triple-aspect guest bedroom is further enhanced by having an en-suite cloakroom. A further staircase descends from the ground floor to the lower-ground floor, where two additional rooms are currently utilised as a study and double bedroom.

Externally, the property enjoys enclosed gardens together with a double garage and allocated private off-street parking for three vehicles. Residents also benefit from access to approximately 10 acres of communal grounds, including a tennis court and extensive walking routes, providing a rare opportunity to reside within a peaceful, historically and architecturally significant setting on the edge of the highly regarded Suffolk village of Nayland.

Nayland is positioned close to the Essex/Suffolk border and surrounded by beautiful countryside within the Stour Valley. The village offers a strong sense of community together with a range of everyday amenities, including a village shop, café/deli, riverside village pub, doctors, dentist, hairdresser, primary school, parish church and riverside walks. The surrounding countryside provides excellent opportunities for walking, cycling and outdoor recreation, while the nearby market towns of Colchester, Sudbury and Hadleigh offer a broader range of shopping, schooling, leisure and transport facilities. Fast trains (less than an hour) run to London and Norwich from Colchester Station which is less than 8 miles away.
