The Chippings, Access from New Road and Wrights Lane

3 Bedrooms | Nearly 1 Acre Plot (STMS) | Exceptional Development Potential

Hidden at the end of Wrights Lane and surrounded by open countryside, The Chippings offers a rare opportunity to acquire a substantial home set within approximately one acre of land (subject to measured survey), complete with significant development potential (subject to planning).

This versatile property combines privacy, space, and flexibility, making it ideal for those seeking a forever home, multi-generational living, or an exciting development project in a highly desirable rural setting.

The current owners have already invested in key upgrades, including an air source heat pump, replacement double-glazed sash windows, and newly rendered elevations, providing a solid foundation for future improvements or redevelopment.

The accommodation

The accommodation itself provides an excellent foundation. A welcoming entrance hall leads through to a bright dual-aspect living room where natural light pours in throughout the day, while the kitchen offers scope to become the social heart of the home. Upstairs, three generous double bedrooms provide comfortable family accommodation, two retaining charming original fireplaces and one enjoying spectacular views across the neighbouring countryside. A family bathroom completes the living space.

Outside & Grounds

The property sits within expansive grounds extending to nearly an acre, offering an exceptional sense of space and seclusion.

Extensive lawns and gardens
Ample off-road parking
Adjoining fields and countryside views
Secondary gated access from New Road

A range of outbuildings, including former kennels, stores, and a substantial timber workshop, provide excellent scope for conversion or redevelopment (subject to necessary consents).

Development Opportunity

The Chippings presents an increasingly rare chance to unlock significant development potential:

- Historically, part of the site (approx. 0.5 acre) had full planning permission for four dwellings with garages
- Additional land previously designated for a detached single-storey dwelling with independent access from New Road

Location

Location

Ideally positioned in a peaceful semi-rural setting, the property enjoys easy access to nearby amenities while being moments from open countryside and a local golf course, offering the perfect balance between rural living and convenience.
