Overview

We are delighted to bring to the market, for the first time in over 20 years, this modern semi detached bungalow which offers no onward chain. This will ideally suit those looking for a comfortable and easy to run home in a sought after area of similar style properties.

The property requires some improvement but offers UPVC double glazing and gas fired radiator central heating. The rooms are bright and airy and the entrance hall has a linen cupboard and doors to each room. The living room is a good size and there are 2 bedrooms, the first of which looks to the front and rear bedroom has double doors to the back garden. The shower room is well appointed and the kitchen has built in hob and oven. From here there is the access to a useful garden/utility room which then opens to the garden.

The bungalow stands on a level plot with an open plan front garden with yucca trees, shrubs and small lawn. There is off road parking for 2 cars which leads to the garage. The rear garden requires cultivation but will be easy to maintain and offers a good degree of privacy.

West Meadow Road is to the edge of Braunton and forms part of the ever popular Saunton Park development built in the 1970's and is of traditional cavity wall construction with rendered elevations and exposed brick gable all under a concrete tiled roof. Being to the west side of Braunton village means access to the superb sandy beaches at Saunton and Croyde is very convenient. Especially so, as there are bus stops very close by. Saunton also offers the renowned golf club with its 2 championship courses.

We thoroughly recommend a full viewing to appreciate this bright bungalow which is sure to appeal to those looking for an easy to run retirement home.
