Offered with no onward chain, this attractive link-detached family home enjoys a peaceful village setting with convenient access to local amenities. Built in the 1990s, the property offers generous off-road parking, garage and a versatile layout, appealing to a range of discerning buyers. Beautifully designed to connect the interior with the garden beyond, the home offers a bright, welcoming living space that is perfect for both everyday living and entertaining.

Constructed of traditional brick with rendered elevations beneath a tiled roof, the property is entered via a welcoming entrance hall with access to a convenient cloakroom with wash hand basin and WC. At the heart of the home is a stylish contemporary kitchen, fitted with a range of cupboards, wooden work surfaces, double oven, hob and space for additional appliances. The kitchen flows seamlessly into the spacious dining room, which in turn opens through double doors into the bright and airy sitting room. Featuring a fireplace, wooden flooring and French doors opening onto the rear patio, this inviting space effortlessly blurs the boundary between indoors and out, creating a wonderful environment for entertaining and making the most of the garden throughout the seasons. A generous double aspect study offers excellent flexibility and could equally serve as a snug, playroom or ground floor bedroom, depending on individual requirements.

The first floor provides a spacious landing with an airing cupboard and access to four well-proportioned bedrooms. The principal bedroom benefits from an en-suite shower room, while the fourth bedroom is fitted with wardrobes and is currently used as a dressing room by the present owners. The remaining bedrooms are served by a contemporary family shower room comprising a shower cubicle, wash hand basin and WC.

Further benefits include aluminium-framed double-glazed windows, replaced in 2022, together with oil-fired central heating.

Outside, the property is approached via a generous gravel driveway providing

parking for several vehicles and leading to the garage, which benefits from an up-and-over door, power, lighting and courtesy door to the rear garden. Planted borders and a mature retaining hedge enhance the frontage, creating an attractive approach while providing a good degree of privacy. The fully enclosed rear garden is of a generous size and features a patio immediately adjoining the sitting room, complete with a timber pergola, providing the perfect setting for al fresco dining and seamlessly extending the living accommodation outdoors. Steps lead to the lawned garden, with a block-paved pathway continuing to a further patio area, ideally positioned to enjoy views across the surrounding open countryside. Completing the garden is a superb detached studio with French doors, windows to three aspects, power and lighting. Offering exceptional versatility, it lends itself equally well to use as a home office, creative studio, gym or peaceful retreat, providing a wonderful space to work, pursue hobbies or simply relax while enjoying the beautiful garden setting.
