A well-positioned first floor maisonette on the ever-popular west side of Horsham, offered with allocated parking, useful storage and 144 years remaining on the lease. An ideal opportunity for first time buyers, investors or downsizers looking to put their own stamp on a property in a sought-after location.

Offered to the market with no onward chain, this first floor maisonette sits in one of Horsham's most convenient and consistently popular residential pockets. The west side of town is well regarded for good reason, Horsham's town centre, mainline station and Horsham Park are all within comfortable reach, while the surrounding streets retain a calm, residential feel that appeals to a broad range of buyers.

The maisonette benefits from an allocated parking space, a real premium in this part of town, along with useful storage. With 144 years remaining on the lease, no ground rent and a service charge of £1,009.68 per annum, the financials are straightforward and transparent.

Internally, the property is offered in need of modernisation, presenting a genuine opportunity for buyers to design and finish the space entirely to their own taste. The bones are solid and the layout practical, ideal for those who want to add value from day one rather than pay a premium for someone else's choices.

For commuters, Horsham Station offers a direct line to Gatwick in approximately 17 minutes and London Victoria in under an hour. The town centre itself provides a strong mix of national retailers and independent shops, a twice-weekly market at the Carfax, and a well-established restaurant scene. Horsham Park, St Leonards Forest and the South Downs are all within easy reach for those who value outdoor space and countryside access.

A practical, well-located maisonette with parking, a long lease and no chain; offered at a price that reflects the opportunity.
