Description

Warsash is a waterside village that has long been a go-to South coast boating hub. Popular with coastal living and those looking for water-based recreation. There are sailing and boating clubs along the River Hamble as well as a choice of Marina’s if being on the water is your thing.

Stepping inside, from the hallway are doors to the cloakroom and storage cupboard to the right and ahead to the sitting room. To the left, you will find the modern fitted kitchen with an inset four-ring electric hob and fume hood, eye-level electric oven, worksurfaces with storage above and below, spaces for your washing machine, fridge/freezer and dishwasher. Tucked away is the Worcester gas-fired combination boiler. The living room is a generous size, having plenty of room for a table and chairs. The living room, being to the rear of the property, looks out onto the private garden which is accessed via French doors. Upstairs you will find two double bedrooms, each with their own en-suite facilities – one with a bath and the other with a shower cubicle. The parking is at the front of the property, and you'll be able to access the house via the back gate when necessary. The rear garden is unusually large with a wooden fence panel surround, lawned central area and longstanding raised decking, which would make a fantastic seating and BBQ area. There is a further garden area to the right-hand side and rear which provides further storage or a great space if you are green-fingered.

Agents Note: The property is currently tenanted under an agreement which expires in October 2026. We are advised that vacant possession may be offered prior to this date.
