Location

The property forms part of Jacqueline Close; an established and popular no-through road, a short distance to the south-east of the village centre. Grundisburgh has an impressive church, a primary school, an excellent public house, The Dog, a village store and Post Office, a delicatessen, doctor's surgery and village playing fields with tennis courts. Grundisburgh is ideally located for both the historic market town of Woodbridge, approximately 3 miles to the south-east, as well as the county town of Ipswich, some 6 miles to the south-west. Direct trains from Ipswich to London's Liverpool Street station take just over the hour. Woodbridge is best known locally for its picturesque riverside setting with marina and associated boat services. It is also highly regarded for its good choice of schooling in both state and private sectors, and offers a variety of shops, restaurants, a cinema and theatre, and recreational facilities. The Heritage Coast lies within 15 miles with popular centres such as Orford, Aldeburgh, Thorpeness, Walberswick and Southwold.

Description

Believed to have been built in the 1960s, 11 Jacqueline Close is an extended four bedroom detached bungalow located at the end of this no-through road, in a semi-elevated position a short distance from the centre of the popular village of Grundisburgh.

In all, the accommodation extends to approximately 1,200 sq. ft (112 sqm) and comprises an entrance hall, open plan L-shaped sitting/dining room with French doors opening onto the south-facing garden and a kitchen. In addition there is a principal bedroom with dressing room, three further bedrooms and a shower room. Whilst the property benefits from UPVC double glazing and a recently replaced energy efficient combination gas boiler, it now does require a programme of renovation and refurbishment, which could include extending the property to the rear - subject to the necessary consents.

Outside

The property benefits from a detached single garage and driveway, together with a good size front garden that is partly enclosed within established beech hedge. The garage measures approximately 5.98m x 2.97m and has up and over doors, power and light connected and a personnel door to the side. To the rear is a generous, south-facing garden which contains a number of mature and established trees and shrubs together with a patio area set beneath a pergola, that can be directly accessed from the sitting room.
