Being offered with no onward chain. Occupying a convenient position on the ever-popular Mill Road South, this charming Victorian terrace combines period character with modern comforts, whilst enjoying a generous rear garden and easy access to both the town centre and railway station.

Built of traditional brick construction beneath a tiled roofline, the property is presented in excellent order throughout and possesses a warm and inviting atmosphere. The accommodation extends to approximately 570 sq. ft. and begins with a delightful front-facing sitting room, featuring attractive stripped and stained exposed floorboards, built-in shelving and the cosy proportions so often associated with period homes.

Beyond, the kitchen/dining room forms the heart of the home, with the continuation of the original floorboards through the dining area and a step leading up into the kitchen. Fitted with a range of units complemented by solid wood work surfaces, the kitchen incorporates a stainless steel sink with mixer tap, built-in oven with four-ring gas hob, tiled flooring and a useful pantry cupboard. An inner lobby provides access to both the rear garden and the bathroom.

The stylishly refitted bathroom is fitted with a contemporary white suite comprising a panelled bath with shower over, countertop wash basin with vanity unit beneath, low-level WC and heated towel rail. Finished with tiled walls and flooring, inset ceiling spotlights and a side aspect window, it provides a bright and practical space.

On the first floor are two bedrooms, including a particularly well-proportioned principal bedroom overlooking the front aspect, together with a second bedroom which could equally serve as a nursery, guest room or home office.

Enclosed by fencing and laid principally to lawn, the garden provides a wonderful space for outdoor dining, gardening enthusiasts or simply enjoying the warmer months. There is street parking available, a permit is required.
