Description of Property

This elegant semi-detached home has been fully re-imagined by the current owners, who have undertaken a comprehensive renovation to create a stylish, contemporary interior that blends design and functionality.

The welcoming reception hall is approached from an enclosed porch and introduces the quality of finish found throughout, with contemporary flooring and a staircase rising to the first floor.

To the front of the property, the sitting room is a beautifully appointed space, enhanced by a large bay window and stylish décor including bespoke wall pannelling, creating a calm and inviting setting for relaxing and entertaining. A feature and focal point of the room is the modern fire surround.

To the rear, the home has been transformed by opening up the former kitchen and dining areas to create a superb open-plan kitchen and dining space. This is now the heart of the home. A bright, sociable area designed for modern family living. The newly fitted kitchen features shaker style contemporary cabinetry, integrated appliances, stylish Quartz work surfaces and a Belfast sink, all carefully selected to complement the overall design. The dining area enjoys views over the rear garden, making it ideal for both everyday living and entertaining. The kitchen has been fully rewired due to the change in layout.

Leading off the kitchen is a well-appointed utility area with a

fully integrated washing machine and complementary cabinetry that continues seamlessly from the kitchen, discreetly housing the Worcester Bosch gas central heating boiler. A conveniently positioned WC is also located off this space, together with a door providing direct access to the rear garden.

To the first floor, the principal bedroom is a generous double room with walk in bay window overlooking the front of the property, while the second bedroom enjoys views over the rear garden. The third bedroom offers an ideal guest room, nursery or home office.

The family bathroom has been completely refitted to create a luxurious, spa-like space, featuring a walk-in shower, a freestanding bath and elegant marble-effect splashback tiling, all complemented by high-quality contemporary sanitary ware.

The property benefits from gas central heating and double glazing throughout; it is worth mentioning that the entire home was completely replumbed and all new radiators have been installed throughout.

Gardens and Grounds

To the front, the property is approached via a driveway providing off-road parking and access to the garage.

The rear garden has been landscaped to provide a private and low-maintenance outdoor space, ideal for relaxing, entertaining and family life. A large paved terrace sits directly off the kitchen and dining area, creating a seamless flow between inside and out during the warmer months.
