Summary

Robins is a delightful detached bungalow, thoughtfully extended and peacefully situated in this popular village. The bungalow occupies a nice size plot with attractive gardens to the front and rear with plenty of off road parking. The South facing rear gardens offer excellent privacy and have a lovely outlook towards Compton Beacon Nature reserve and Coombe Hill to the East. Accommodation includes kitchen with fitted appliances, bathroom, two double bedrooms and large sitting room/dining room with patio doors to the garden. There have been a number of improvements made by the current owner including installing a brand new central heating system compatible with the new high efficiency Grant air source heat pump. There are also recently installed and privately owned solar panels making this property extremely cost effective and efficient to run.

Amenities

Compton Dundon is an attractive village, lying in one of the most picturesque parts of Somerset between Somerton and Street. The village is surrounded by unspoilt countryside with wooded hills and public access to many footpaths. There is a very buoyant community which is based around the church, cricket pitch, pub and village hall. Somerton is a small Anglo Saxon town about 3 miles south whilst Street is 2.5 miles north. Both provide a wide range of facilities and amenities.

Services

Mains water, drainage and electricity are all connected. 3 year old Grant air source heat pump with 4 years remaining on a 7 year extended guarantee. Privately owned solar panels. Council tax band D. Full fibre broadband is available in the village.
