41 Lillybrook Estate Bradenstoke, SN15 4AA

£220,000

Occupying a prime position on this highly regarded family-run residential park for the over 50s, this delightful 46' x 20' Omar Colorado park home enjoys breathtaking panoramic views across the beautiful Dauntsey Vale countryside.

This impressive detached home offers spacious and comfortable accommodation approaching 900 sq ft, perfectly suited for those seeking a peaceful lifestyle without compromising on quality or space. Constructed in 2006, the property occupies an enviable plot on the edge of the development, benefiting from private driveway parking and garage.

The well-planned accommodation begins with a welcoming entrance hall leading through to a generous dual-aspect living room where large feature arched windows perfectly frame the far-reaching countryside views. An open archway connects seamlessly to the separate dining room, creating an ideal space for both everyday living and entertaining. The modern fitted kitchen is well equipped with integrated appliances including a mid-height double oven, whilst a useful side porch provides additional practicality.

The sleeping accommodation is equally impressive, comprising two generous double bedrooms. The principal bedroom enjoys the luxury of a walk-in wardrobe together with a private en-suite shower room featuring a replacement shower cubicle. The second

bedroom is served by a spacious family bathroom fitted with a corner bath and useful airing cupboard.

Further benefits include oil-fired central heating supplied by a regularly maintained combination boiler, uPVC double glazing, a security alarm system and enhanced underfloor insulation, all contributing to the home's excellent energy efficiency and year-round comfort.

Combining spacious accommodation, outstanding views and a sought-after location between the villages of Bradenstoke and Lyneham, this wonderful home represents a superb opportunity for those looking to enjoy a relaxed countryside lifestyle.

Another notable advantage is that the home benefits from a 5% sales commission payable to the park upon resale, as opposed to the more traditional 10% often associated with park home sites.
