This delightful three-bedroom detached family home is ideally positioned within walking distance of Lancaster city centre and the train station, offering both convenience and a highly accessible lifestyle.

The property provides spacious and versatile accommodation throughout, beginning with a welcoming lounge that flows seamlessly into a charming conservatory, a light-filled space that opens onto the garden and creates a lovely connection between indoors and out.

The kitchen is well laid out and fully equipped, offering ample cupboard and worktop space for everyday cooking, family meals, and entertaining. Its practical design ensures everything is easily accessible, while a convenient cloakroom just off the kitchen adds to the functionality of the ground floor.

Upstairs, the property offers three comfortable bedrooms, each with its own outlook, along with a well-presented family bathroom.

The true gem of this home, however, is the enchanting garden. Designed with a magical, Japanese-inspired feel, it features a striking pond with a decorative footbridge, surrounded by mature conifers and Japanese maples that bring year-round colour and tranquillity. A paved patio provides the perfect spot for outdoor dining or morning coffee, while the dry storage area to the side of the property adds practicality. With an outdoor tap and thoughtfully landscaped areas, this garden is both functional and utterly captivating, a space to relax, entertain, and enjoy the changing seasons.
