Calling all investors once again... because here's another gem right next door!
If you missed the first one, don't worry – this neighbouring property offers the same fantastic opportunity to secure a ready-made investment with reliable, long-standing tenants already in place. A consistent rental income and a strong yield make this an incredibly attractive addition to any portfolio.
Offered at offers over £140,000, this three-bedroom home boasts gardens to both the front and rear along with its own private driveway – always a winner with tenants. Inside, you'll find a welcoming hallway, a comfortable lounge, and a spacious breakfast kitchen, with three well-proportioned bedrooms and a family bathroom upstairs.
And here's the real highlight... the chance to purchase both properties side by side! Whether you're looking to expand your portfolio or secure a pair of income-generating homes in one go, this is an opportunity not to be missed.
A solid investment, a proven rental history, and double the potential... now that's what I call smart buying!
