## GENERAL AND SITUATION

Approximate Distances:  
Llanybydder 3 miles • Lampeter 3.5 miles • Llandysul 12 miles  
Carmarthen 21 miles

A wonderfully situated lifestyle property, set in approx. eleven acres, with two beautifully refurbished residences, a wide range of useful outbuildings some with conversion potential (stpc), pasture paddocks with river frontage and stunning waterfalls, in a glorious secluded location with breathtaking views.

Chwibonogl is believed to have once been part of a much larger farm and the main house is understood to date back to around 1870. A detached, self-contained cottage was developed in the 1970's, and the entire property has recently undergone an extensive programme of refurbishment by the present owners, to an unusually high specification. Some of the outbuildings have potential to be converted to provide further living accommodation, holiday lets etc, subject to the necessary permissions.

Despite its fabulous rural location with no immediate near neighbours, the property is within a short drive of the local market town of Llanybydder and the larger university town of Lampeter, both of which provide ranges of local shops and amenities. The main marketing and administrative town of Carmarthen is just 21 miles to the south, with connection to the A48 dual carriageway, which links to the M4 motorway, Swansea, Cardiff and beyond.
