Marshfield View Landimore, Gower, Swansea, SA3 1HD

£550,000

Set within a coastal village on the edge of the Gower Peninsula, this setting is defined by open estuary views, quiet lanes and a landscape that shifts gently with the tide and seasons. Nearby walks lead through marshland and along the shoreline, while surrounding villages offer cafés, traditional pubs and everyday essentials. Swansea lies within easy reach, providing wider shopping, schooling and transport connections, allowing rural coastal living to sit comfortably alongside convenience.

Offered with no onward chain, this three bedroom detached cottage occupies a plot of approximately 0.12 acres and enjoys estuary views from the first floor bedrooms, where light and outlook play an important part in the home's character.

The ground floor offers a balanced arrangement of a lounge, dining room and kitchen, along with a cloakroom. The layout feels practical and connected, suited to both everyday living and relaxed hosting.

Upstairs, three bedrooms are served by a family bathroom, with the rear aspect capturing those appealing water and sky views.

Externally, the property provides driveway parking for two vehicles and a patio area designed for outdoor seating and dining. Steps lead to a further gravelled terrace, offering another place to sit and enjoy the garden. The grounds continue into a lawned garden with established planting, alongside two raised vegetable beds. A detached summer house offers a quiet retreat, while an outbuilding provides useful utility space.

A home that combines coastal outlooks with garden lifestyle, offering space, privacy and a strong sense of place.
