About The Property

Looking for a substantial family home within walking distance of Cardigan town amenities?

This impressive five-bedroom detached house offers generous accommodation across two floors, excellent parking, useful workshop and storage space, and a pleasant rear garden backing onto open fields. Well presented throughout and benefiting from mains gas central heating, it provides the ideal combination of town convenience and family-sized living in the heart of West Wales.

Situated within the popular market town of Cardigan, this detached home offers far more space than first impressions suggest. The accommodation extends to over 160 square metres and has been carefully maintained to provide comfortable family living, with a practical layout that would suit a wide range of buyers.

The property is approached via a driveway providing off-road parking, with a welcoming entrance porch leading into the main hallway. Attractive parquet flooring immediately adds character and warmth, setting the tone for the rest of the house.

The living room is a particularly good-sized reception space, offering plenty of room for family gatherings and everyday living. A feature fireplace creates a focal point, while sliding doors open directly into the conservatory, allowing the accommodation to flow naturally into the garden-facing areas of the home. The conservatory enjoys pleasant views over the rear garden and neighbouring field, providing a lovely spot to sit with a morning coffee or enjoy the changing seasons.

Adjacent to the living room is a separate dining room, creating a practical space for family meals and entertaining. The kitchen is fitted with an extensive range of wall and base units, providing ample storage and worktop space. The layout works well for busy family life, with easy access to the dining room and rear utility areas.

Continued:

Beyond the kitchen lies a highly useful section of the property incorporating a laundry room, cloakroom/WC and a substantial storage area. This part of the house offers excellent flexibility and could serve a variety of purposes depending on requirements. There is also external access from this area, making it ideal for those returning from walks, gardening or hobbies.

The ground floor also benefits from a double bedroom, providing flexibility for multi-generational living, guests, or those seeking accommodation on one level.

The first floor continues to impress with four further bedrooms arranged around a central landing. The principal bedroom is particularly spacious and enjoys views towards the rear. The remaining bedrooms offer excellent versatility for family

members, guests, home working or hobbies.

A modern shower room serves the first floor accommodation, complemented by a separate WC, helping to ease the demands of busy family life.

A further advantage of the property is the generous attic space, which currently provides excellent storage. The size of the area may offer potential for conversion into additional accommodation, a home office, hobby room or other useful living space, subject to any necessary planning permissions, building regulations and consents. This adds another layer of flexibility to an already substantial family home.

To the front of the property is a driveway providing off-road parking, together with low-maintenance frontage.

The rear garden has been designed for ease of upkeep, with paved seating areas directly accessible from the conservatory and kitchen. A range of mature planting adds colour and interest throughout the year, while the garden enjoys an open aspect across neighbouring fields, creating a surprisingly pleasant outlook considering the property's convenient town location.

A detached workshop provides excellent storage and workspace for DIY enthusiasts, gardeners or those needing room for hobbies and projects. The additional storage room attached to the house further enhances the practicality on offer.

The Location

Cardigan remains one of the most sought-after towns in West Wales, offering a good range of independent shops, supermarkets, cafes, restaurants, schools, leisure facilities and healthcare services. The town sits on the banks of the River Teifi and provides a vibrant community atmosphere throughout the year.

The stunning coastline of Cardigan Bay is only a short drive away, with popular beaches at Poppit Sands, Mwnt, Aberporth and Llangrannog all within easy reach. The nearby Ceredigion and Pembrokeshire coastlines offer miles of scenic walking, beautiful coves and opportunities to enjoy the best of coastal West Wales.

This is a substantial family home offering flexible accommodation, practical outbuildings and excellent access to both Cardigan town and the beautiful Cardigan Bay coastline. Properties of this size and versatility in such a convenient location are always popular, making early viewing highly recommended.
