DESCRIPTION

Hunters are pleased to bring to the market this substantial semi-detached property, pleasantly positioned in the popular village of Irton, offering generous accommodation and sitting on an impressive plot. While the property would benefit from a significant programme of modernisation and redecoration throughout, it provides an excellent opportunity for a buyer looking to create a home to their own taste.

One of the standout features is the property's attractive frontage. A generous driveway provides ample off-road parking, while the large front lawn creates an impressive approach to the house and gives the property a real sense of space.

Internally, the ground floor offers two separate living rooms, providing plenty of flexibility for family life, alongside a kitchen, hallway and sunroom overlooking the rear garden. The property also benefits from an integral garage, offering useful parking or storage space.

To the first floor are three bedrooms, a bathroom and separate WC. The property also benefits from a loft space, providing useful additional space with plenty of potential to suit a buyer's individual requirements.

Externally, the rear garden is another major selling point. The substantial lawn provides plenty of outdoor space and enjoys a particularly private, non-overlooked position, making it ideal for families, entertaining or anyone looking for a generous garden.

Although updating is required, the size of the accommodation, excellent plot, extensive driveway and impressive gardens give this property plenty of potential to become a fantastic long-term family home in Irton.
